

COLONEL BY SKI CLUB 2011-2012

Dear Parents/Guardians

In this package you will find all the information and forms for the Colonel By ski club. Please read through all the forms carefully and fill them out completely.

HELMET POLICY:

We are requiring all students participating in ski club this year to wear a helmet while on the ski hill. Parents and guardians should be aware that students found without a helmet will have to remain in the chalet for the rest of the day. Helmets are available at the ski hill but, students should buy their own as it is cheaper than renting it each week and the ski hill won't have enough for everybody. Your cooperation in this matter is much appreciated.

Ski Club Dates:

This year ski club will be making five excursions to Edelweiss and Camp Fortune as follows:

Wednesday, January 18, 2012	Edelweiss
Wednesday, January 25, 2012	Camp Fortune
Wednesday, February 1, 2012	Edelweiss
Wednesday, February 8, 2012	Camp Fortune
Wednesday, February 15, 2012	Edelweiss

If there is bad weather, the ski night will be moved to:

Wednesday, February 22, 2012 Edelweiss

Forms and Payment Due Date:

Forms and payment will be collected in the atrium at lunch on Monday Dec. 19-Thursday Dec.22. Forms will not be accepted before or after this date and must be given directly to the ski club leaders in the atrium at lunch. Students not following these instructions will not be admitted to the Colonel By Ski Club.

Buses

The buses will be departing from Colonel By at 3:40 pm and will be leaving from the hill at 9:00pm on all dates, with a return time to Colonel By of approximately 9:45pm.

COLONEL BY SECONDARY SCHOOL

2381 Ogilvie Road

Telephone: 745-9411 Fax: 745-4680

NOTE: Parents picking up ski club participants at 9:45pm are not to block the fire lane. Please use the parking lot or wait out on Ogilvie Road until after the buses have dropped off all students and departed.

Procedures: All ski & snowboard equipment will be locked up in the visitor's change room (off the hallway between the cafeteria and the boy's change room) on the mornings of ski club to be picked up after school. Items can be dropped off in between 8:30 and 9:10am only. If a student arrives early, they must hold on to their equipment until the storage room is open. Colonel By takes no responsibility for equipment left in the hallway unattended.

Lockers:

Students will not be able to access their lockers at night when we return from the ski hill. Students should bring their homework and book bags with them to the ski hill. They can be left on the busses which will be locked up.

Theft:

Do not bring valuables to the ski hill with you as the school and the ski hill claim no responsibility for lost or stolen goods. We highly recommend getting a lock for your skis or snowboard. It is a worthy investment of \$20 as equipment has been stolen just about every year at the ski hill.

Behaviour Policies:

Although the group will not physically be at Colonel By Secondary School they will be "attending school", as defined by the Education Act, for the entire duration of the ski trips. The same code of student conduct applies on the ski hills as it does at Colonel By. Students are expected to behave as they would at school and to follow any instructions they may receive from any of their adult supervisor. For the safety of each member of the group and in accordance with School Board policy regarding educational travel the following student behaviors will not be tolerated at any time on the trip:

- ☞ Loud or boisterous actions, including the use of profanities.
- ☞ Any comment or action that is disrespectful towards peers, supervisors or people the students may meet on their trip.
- ☞ The consumption of intoxicating substances such as non-prescription drugs or alcohol.
- ☞ Smoking will not be permitted at any time. Please inform the staff, in advance and in writing, of any medications a student may require and any special medical arrangements that need to be made.

3. Do not stop where you obstruct a trail or are not visible from above.
4. When entering a trail or starting downhill, look uphill and yield to others.
5. If you are involved in or witness a collision you must remain at the scene and identify yourself to the Ski Patrol.
6. You must use proper devices to prevent runaway equipment.
7. You must not use lifts or terrain if your ability is impaired through use of alcohol or drugs.
8. You must keep off closed trails and observe and obey all signs and warnings.
